

نموذج قائمة / الباحثين

الاسم: أحمد طالب حميد حداد

الاختصاص: هندسة عمارة / نظريات ومناهج التصميم

العنوان الوظيفي/ الرتبة: تدريسي

جهة الانتساب: الجامعة التكنولوجية

التحصيل الدراسي: ماجستير هندسة عمارة

هاتف: 07700275737

البريد الالكتروني: a_talib11@yahoo.com

النشاطات

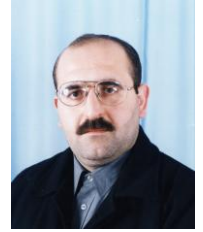

ت	عنوان/ الرسالة, الاطروحة, البحوث, الاصدارات, الدراسات... المنشورة	مجالها/ التخصص	مكان النشر	تاريخ النشر
1	اثر الفكر الاسلامي على منهجية التصميم المعماري	منهجية التصميم المعماري	الجامعة الاردنية - الاردن	1999
2	منظومة تطوير اقسام الهندسة المعمارية	جودة التعليم المعماري	مجلة قار يونس العلمية - ليبيا	2009
3	مناهج التصميم من الحرفة الى الفكرة	تاريخ مناهج التصميم	دار الكتب الوطنية - ليبيا	2009
4	مناهج التصميم في ضوء التقدم الفكري والتكنولوجي للإنسان	مناهج التصميم المعاصرة	المجلة العراقية لهندسة العمارة	2014

	2014	مؤتمر الجودة السنوي الخامس – جامعة الكوفة - النجف	جودة التعليم المعماري	اهمية تطبيق الجودة في تطوير مؤسسات التعليم العالي العراقي : محور اقسام الهندسة	5
	2014	مجلة القادسية للعلوم الهندسية	جودة التعليم المعماري	التوجه نحو الجودة والاعتمادية في التعليم المعماري : قسم هندسة العمارة في الجامعة التكنولوجية انموذجا	6

Ahmed Talib Hameed Ali Haddad

Email : a_talib11@yahoo.com

Tel. : 009647700275737

PERSONAL INFORMATION:

Date of birth : Dec.17.1971

Nationality : Iraqi.

Sex : Male

Marital status : married

EDUCATION:

- **B.S.C.** Degree in Architectural engineering, college of engineering, Univ. of Baghdad (1989-1994).
- **M.S.C.** Degree in Architectural engineering. Faculty of Graduate Studies, Univ.Of Jordan (1995 -1999).
Thesis title: The Impact of Islamic Intellectual on Design Methodology in Architecture.

SINFITIC EXPREESCE:

1. Researches :

- System for development of architectural engineering Departments
- Contemporary architecture design methods according to human's intellect & technological development.

2. Books

- Development of the Design Methods from Handicraft to the Universal Thinking : A study of relationship between public design methods & architectural design methods.
- Contemporary Architecture Theory : From Modern Architecture To Cosmogenic Architecture
- Climate , Architecture & Man : A Climatic System from Universe to Man

PROFESIONAL EXPREESCE:

1-Applied experience (according to documents)

- * 1.8.1993 to 9.2.1994 Working as assistant Architectural engineer in a private Office (Baghdad _ Iraq).
- * 14.8.1994 to 16.11.1994 Working as an Architectural engineer in a private office (Baghdad - Iraq).
- * 9.11.1994 to 10.9.1995 Working as a Architectural supervisor engineer in a Government office (Baghdad - Iraq).
- * 1.7.1996 to 31,12.1996 Working as Architectural Designer and Supervisor in a private office (Amman - Jordan).
- * 16. 1.1999 to 1. 5. 2001 Working as executive Architectural engineer (project Manager) in a private contractor establishment (Aqaba - Jordan). And other project in Al- Karak – Jordan
- * 1. 5. 2001 to 1. 1. 2002 Working as executive Architectural engineer in a private contractor establishment in Al Karak – Jordan.

2-Academic experience (according to documents)

* From Academic year 1996-1997 to 1998-1999 department of Architecture engineering , Faculty of engineering, Univ. Of Jordan Teacher assistant for the 5th grade, the subject of architectural design (final project). + 4th grade, the subject of Architectural design.+ 3rd grade, the subject of Building construction.

*From Academic year 2001-2002 to 2010 – 2011 department of Architectural Engineering & planning , Faculty of engineering (Faculty Of Arts and Architectural now) , University of Omar AL-Mukhtar (University of Darna previously) – Libya . Teacher for the following :

Subject	Branch	Year
Supervision of Graduation Projects	Architecture / Interior design	Fifth year
Architectural Design Methods	Architecture / Interior design	Fifth year
Architectural Design	Architecture	Fourth year
Architecture Theory	Architecture / Interior design	Fourth year
Architecture & Climate	Architecture	Fourth year
Building Construction & Working Drawing	Architecture	Third year
History of Ancient Architecture	Architecture	Second year
Engineering Drawing & Descriptive Geometry	Architecture	First year

* From Academic year (2003-2004) to(2004 – 2005) head of the Department of Architecture & Interior design (University of Darna previously) – Libya.

* From academic year (2006 – 2007) to (2008 -2009) head of the Branch of Architectural Design - department of Architecture engineering & planning , Faculty Of Arts and Architectural - University of Omar AL-Mukhtar – Libya.

* From academic year (2004 – 2005) to (2008 -2009) member of scientific commission in Department , and he was a member of examinations commission, Faculty Of Arts and Architectural - University of Omar AL-Mukhtar– Libya.

* From academic year (2009 – 2010) to (2010 -2011) member of Quality Assurance commission in Faculty Of Arts and Architectural - University of Omar AL-Mukhtar– Libya.

* From academic year (2004 – 2005) to now Exterior lecturer in Centers of comprehensive vocations (Darna – Toprik – Al Bedh) – Libya .

* head of the Department of Architectural Design - department of Architecture engineering , Faculty Of Arts and Architectural - University of Omar AL-Mukhtar – Libya (academic year 2010-2011) .

* Now member of staff in Department of Architecture - University of Technology – Iraq .

PROFESIONAL MEMBERSHIPS:

- * Member of the Iraqi engineers union
- * Member of the Jordan engineers association

LANGUAGES:

- * Arabic (mother tongue)
- * English (written and spoken)

REF FERALS:

- * Prof. Dr. Salim Al-Faqih Department of Architecture Faculty of Engineering and Technology Jordan University
- * Prof. Dr. Yahya Al-Zo'bi Department of Architecture Faculty of Engineering and Technology Jordan University
- * Prof Assistant Dr. Ibrahim Jawad Kathem Department of Architectural Engineering , University of Technology.

* * * * *

Update : 2013
