Republic of Iraq
Ministry of Higher Education and Scientific Research
University of Technology
Building and Construction
Engineering Department

in collaboration with Nahrain University
will establish

1st International Conference on Geotechnical and Transportation Engineering ICGTE 2013

24 – 25 April 2013 hosted by Building & Construction Eng. Dept. – University of Technology – Baghdad – Iraq

The conference aims to review the most important experiences and the latest methods and global techniques relevant to the soil and foundation engineering, transport engineering, transportation and traffic engineering, and railway engineering, and the exchange of engineering and scientific views, also presentation of the global researches and studies related to the themes of the conference.

Accepted papers will be published in a special edition of the Engineering and Technology Journal, after submission of this research to the scientific assessment by a specialized committee.

Conference Topics

1. **Soil and Rock Mechanics.**
2. **Foundations and Piles Engineering.**
3. **Tunnel Engineering.**
4. **Soil Improvement and Stabilization.**
5. **Geological Hazards and there Effects on Structures.**
6. **Traffic and Transportation Engineering.**
7. **Railway Engineering.**
8. **Highway Engineering and Pavement Materials.**
9. **Airport Engineering.**
10. **Computer Applications and Remote Sensing in Geotechnical and Transportation studies.**

Organizing Committee

Prof. Dr. Riyad H.H. Al-Anbari	**Chairman**
Dr. Ammar A. M. Shubber	**Member and coordinator**
Prof. Dr. Mohsen J. Jwej / Al-Nahrain Uni.	**Member**
Prof. Dr. Abdul Razzak T. Ziboon	**Member**
Prof. Dr. Mohammed Y. Fatah	**Member**
Asst. Prof. Dr. Falah H. Rahel	**Member**
Prof. Dr. Hussein Hameed Karim	**Member**
Prof. Dr. Aqeel Sh. AL-Adili	**Member**
Asst. Prof. Dr. Mahmood R. Mahmood	**Member**
Asst. Prof. Dr. Nahlah M. Salim	**Member**
Asst. Prof. Dr. Mohammed Abdullateef Al-Neami	**Member**
Asst. Prof. Hussam H. Baqir	**Member**

Scientific Committee

Prof. Dr. Namir K.S. AL-Saoudi	**University of Technology – Iraq**
Prof. Dr. Qias Taha Shlash	**University of Technology – Iraq**
Prof. Dr. Mohammed Y. Fatah	**University of Technology – Iraq**
Prof. Dr. Liu XueYi	**Southwest Jiaotong University – P.R.China**
Prof. Dr. Ivo Herle	**Dresden University – Germany**
Prof. Dr. Tom Schanz	**Bochum University – Germany**
Prof. Dr. Nagaratnam Sivakugan	**James Cook University – Australia**
Prof. Dr. Fauziah Ahmed	**USM – Malaysia**
Prof. Zhu Ying	**China Railway ErYuan Engineering Group Co. - P.R.China**
Dr. Giovanni Spagnioli	**Bauer – Germany**
Dr. Mahdi Miri Disfani	**Swinburne University of Technology**
Dr. Anwar L. Mohammed	**Ministry of Construction and Housing**
Asst. Prof. Dr. Huassn Hamody Jony	**Ministry of Higher Education – Iraq**
Asst. Prof. Dr. Abd Al-Hadi Miteb	**Technical Institute of Babylon – Iraq**
Asst. Prof. Dr. Bushra Seheel Zbar	**University of Baghdad – Iraq**
Asst. Prof. Dr. Mohammed M. Mahmood	**Mustansria University – Iraq**
Asst. Prof. Dr. Namir Kanie Ahmed	**Mustansria University – Iraq**
Asst. Prof. Dr. Ghandy Ghanem Aziz	**Mustansria University – Iraq**
Asst. Prof. Dr. Amjad Hemd Al-Beiatee	**University of Baghdad – Iraq**
Dr. Medhat Shaker Medhat	**Mustansria University – Iraq**
Dr. Alaa Hussien Abd	**Nahrain University – Iraq**
Dr. Ammar A. M. Shubber	**University of Technology – Iraq**

Conference Supporter

Dresden University – Germany
Bochum University – Germany
James Cook University – Australia
Southwest Jiaotong University – P.R.China
USM - Malaysia
China Railway ErYuan Engineering Group – P.R.China
Bauer – Germany
Ministry of Construction and Housing – Iraq
Iraqi Scientific Society for Soil Mechanics and Foundation Engineering

Important Dates

Full paper submission;	**1st March 2013**
Notification of final acceptance;	**20th March 2013**
Conference date;	**24-25 April 2013**

Contact us

Mail; Building and Construction Engineering Department, University of Technology, Al-Sina'a Street, P.O. Box; 35010 Baghdad, Iraq.
