

CURRICULUM VITAE

Photo

**Name: Dhiyaa Hamoodi Mohammed**

**Personal Data**

- Address: Iraq - Baghdad
- Mobile: 07709201081
- E-mail: dhiyaa\_hamoudi@yahoo.com
- Place and date of birth: Baghdad, 7/11/1972
- Nationality: Iraqi
- Marital status: Married

**Educational Qualifications**

- 1993-1994
- Baghdad University
  - College of Engineering – Civil Engineering Department
  - B.Sc. Degree in Civil Engineering
- 2000
- University of Technology
  - Building and Construction Engineering Department.
  - M.Sc. Degree in Structural Engineering
- 2007
- University of Technology
  - Building and Construction Engineering Department
  - Ph.D. Degree in Structural Engineering

**Work Experience**

From – To	Position / Work / Details
1994-2000	<ul style="list-style-type: none"><li>○ Site Engineer, supervising activities to be carried out according to schedule, and practicing quality control operation based on international Engineering standards.</li><li>○ Having good relations with many skilled technicians who work in the construction field.</li><li>○ Preparing Bill of quantity for client to determine project preliminary cost for lump sum Contract for building.</li></ul>

**Computer skills**

---

2000 so far	Full experience in Finite Element method and good user of ANSYS computer program.
2000 so far	Good knowledge level in different Engineering Programs (i.e. ANSYS computer program, AutoCAD, STAAD PRO,...etc)
2000 so far	Good knowledge level in different computer programs (i.e., Microsoft Office, MS Project,...etc)

**Language Skills**

---

Arabic: native speaker

English:

**Publications**

---

- Strengthening Of Reinforced Concrete Beams By Using Carbon Fibers Reinforced Polymers
- Effect Of External Anchorage On The Behavior Of Strengthened Reinforced Concrete Beams By CFRP
