

Curriculum Vitae

1-Personal Information

Name : nahla fadel alwan alsaji
Affiliation : University of Technology / Chemical Engineering
(Included Phone and Email) Dep , Email : nahlafadel@uotechnology.edu.iq
Mobile:07714258456
Date of Birth : 1/7/1956
Place of Birth : Iraq / Baghdad
Nationality : Iraqi
Marital Status : Unmarried

2-Scientific Rank

Assistant Lecture

3-Research Interests

- applications computing in the field of chemical engineering
- image processing
- cloud computing
- web, mobile
- operating system

4-Education

(List your academic background, including undergraduate and graduate institutions attended)

Date	Discipline	Degree	Institution	Thesis Title
/1/9 2012	Computer Science	MSC	United kingdom/ University of Buckingham	The Readiness of Mobile Operating Systems for Handling Cloud Computing Services
/12/21 2002	Informatic s	Higher Diploma	Iraqi Commission for Computers and Informatics	Design and Execution of Local Data Bases of Free Text By using Search Word
/7/1 2000	Computer Science	B.Sc.	University of Baghdad/college of education /Ibn Al- Haitham	
/6/30 1978	Chemical Engineeri ng	B.Sc.	University of Baghdad/College of Engineering	

5-Postdoctoral Training (if available)

-

6-Management Posts (if available)

(List in chronological order, included position details and dates)

-
-
-

7-Grants and Fellowships (if available)

- scholarship to study master's degree in computer science in the United Kingdom

8-Academic Experience

1-Undergraduate Level

- Teaching students of first stage of Chemical Engineering Department / University of Technology principles of programming and AutoCAD in programming Laboratory
- Teaching students of second stage of Chemical Engineering Department / University of Technology programming various applications of chemical engineering using mat lab program in programming Laboratory
- Teaching students of third stage of Chemical Engineering Department / University of Technology programming various applications of numerical analysis methods in chemical engineering using mat lab program in programming Laboratory
- Teaching students of first, second and fourth stages of Chemical Engineering Department / University of Technology in material, physical chemistry and refinery laboratories.

2-Postgraduate Level

9-Employment History (if available)

(Including experience, institution, and data)

- I worked in Daura refinery / Department of heavy oil
- I worked in the General Establishment for oil products distribution / AL Rusafa repository in quality control
- I worked at the Baghdad Oil Training Institute in industrial safety

10-License/Certification (if available)

- Syndicate of Engineers
- Teachers union

11-Honors and Distinctions (if available)

- Honoring the Minister of Higher Education
- Acknowledgement of the Minister of Higher Education
- Acknowledgement of the President of the University of Technology
- Acknowledgement of the President of the Chemical Engineering

Department

12-Skills and Qualifications (Language and computer)

- using computer
- English / Arabic languages translation and vices versa

13-Publications/ Books

1- Supervision

-
-

2-Research

Under publication

-
-

Accepted Manuscripts

-
-

Published

- The Readiness of Mobile Operating Systems for Handling Cloud Computing Services
- Developing a Database System for the Laboratory Tests
-

3-Books

- Mass Transfer
- Industrial Safety
- Oil and Gas Technology

14-Invited Lectures and Seminars* (if available)

- The committee of students absence
- The committee of inventory of instruments and equipment

- The committee of development and processing of operational instruments and equipment of laboratories in universities

15-Conferences and Training (if available)

- Teaching methods Course
- Conference on Stem Cells
- National Conference on Renewable Energy applications
- The second scientific conference of modern technologies in the oil Refinery
- Seminar about contracting methods and ways of implementing the project contracts and oil petrochemical
- Scientific Symposium in the Chemical Engineering Department

*تملى الاستماره بحسب التسلسل الزمني من الحديث ثم الاقدم
* كذلك تتضمن جميع دورات التعليم المستمر كمقرر او محاضر او مشارك
* Skills and Qualifications تتضمن الاهتمامات والمهارات الاخرى الغير المذكوره بالاستماره
* License/Certification تتضمن اعضاء اتحاد ونقابات، جمعيات محليه ودوليه
*الكتب تتضمن المؤلفه والمترجمة
