Banghdad, Iraq

Dear Mr. Eiman Ali Eh. Sheet,

Title: Acceptance of Paper Participation in World Research and Innovation Convention on Engineering and Technology (WRICET2016), 24 - 25 October 2016, Langkawi, Kedah, Malaysia.

Paper ID : 25
Paper Title : Experimental Study Of The Operating Temperature Effect On The Performance of PEM Fuel Cell
Co-Author : Hayder A. Dhahad, Wissam H. Alawee, Eiman Ali Eh. Sheet
Participate as : Conference Participant

We are pleased to inform you that your paper with the above title have been accepted for presentation at the World Research and Innovation Convention on Engineering and Technology (WRICET2016) which will be held from 24th to 25th October 2016 at Adya Hotel, Langkawi, Kedah, Malaysia. This convention is biannual event organized jointly by the Malaysian Society for Engineering and Technology and the Federation of Engineering Institutions of Islamic Countries [FEIIC].

Kindly take note that the selection for possible publication in selected journal is based on the quality of the full manuscript and extended abstract which are double blind reviewed by experts in the respective field and had not been published elsewhere. However, the corresponding author is responsible to prepare a full manuscript to be considered in any selected journal according to their guidelines, terms and conditions. Please bear in mind that the corresponding author has to make additional payment (if any) for publication cost incurred and sign the copyright form by the journal publisher.

Participant is required to make the early bird payment for the convention fee by 30th September 2016. Payment received after the deadline will be charged at normal rate as stated in the invoice sent earlier.

Should you have any further enquiries, do not hesitate to contact WRICET2016 secretariat at 03-89466451 or email to event@myset.org.my. For more information on WRICET2016, visit our website at www.myset.org.my/WRICET2016.

Thank you for your interests and we hope to hear from you soon.

Regards,

Puteri
